PETITIONING THE COURT

To modify the conditions of supervision as follows:

- 14 You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than 6 tests per month, in order to confirm your continued abstinence from these substances.
- 15 You shall undergo a substance abuse evaluation and, if indicated, enter into and successfully complete an approved substance abuse treatment program, including aftercare. You shall contribute to the cost of treatment according to your ability. You shall allow full reciprocal disclosure between the supervising probation officer and treatment provider.

## CAUSE

The offender released from custody on March 23, 2007, after serving a 120-month sentence for felon in possession of a firearm. This modification is necessary in order to be in compliance with 9<sup>th</sup> Circuit rulings concerning specifying the number of urine tests an offender may be subject to. Also included is a substance abuse treatment condition, which contains more comprehensive language than previously ordered. The offender agrees to these modifications and has signed a waiver to that effect, which is enclosed for the Court's review.
